PROFESSIONAL SUMMARY

Front-End Developer with one year of hands-on experience building dynamic and responsive web applications using modern technologies such as React.js, JavaScript (ES6+), and CSS3. Skilled in creating user-friendly interfaces, optimizing performance, and ensuring cross-device responsiveness.

Proficient in using frameworks like Redux Toolkit, React Router, and Material UI to build scalable, maintainable applications.

Additionally, have a solid foundation in back-end development using Node.js, Express.js, and MongoDB, which enhances understanding of full-stack workflows, API integration, and client-server communication.

Capable of collaborating with cross-functional teams, solving front-end issues, and delivering clean, efficient code.

TECHNICAL SKILLS

Languages:	Frameworks & Libraries:	Tools :	Other :
• HTML , CSS • HTML5 , CSS3 • JavaScript (ES6+)	• React JS , React Router • Redux Toolkit • Bootstrap • Node Js , Express Js	• Git , GitHub • Chrome DevTools • VS Code • MongoDB	• Responsive Design • RESTful APIs, JSON • Performance Optimization

PROJECTS EXPERIENCE

Admin Dashboard

April 2025 - May 2025

- **Description:**
 - Developed a modern and responsive admin dashboard using React.js and Material UI.
 - Designed reusable components and implemented a clean, consistent user interface based on Material Design.
 - Integrated real-time data visualization using charts and tables for analytics and user management.
 - Implemented routing, sidebar navigation, and dark/light mode toggle for enhanced UX.
 - Focused on code reusability, performance, and responsive layout across all screen sizes.
- **View Project:** [Project Link](#)

E-commerce Website

April 2025 - May 2025

- **Description:**
 - Developed a fully responsive e-commerce website using React.js, CSS3, and JavaScript (ES6+).
 - Designed a modern UI with dynamic product listings, filtering, product details, and smooth navigation.
 - Implemented a comment section for each product where authenticated users can leave comments, with persistent storage so comments remain visible across sessions.
 - Enabled user authentication and login functionality with proper session handling.
 - Added cart functionality using local storage and product details management.
 - Designed a modern UI with dynamic product listings, filtering, product details, and smooth navigation.
- **View Project:** [Project Link](#)

Portfolio Website

March 2025 - April 2025

- **Description:**
 - Built a professional personal portfolio to showcase technical skills, certifications, and completed projects.
 - Applied React.js, Bootstrap, and CSS3 to create a user-friendly and responsive experience.
 - Optimized navigation, content layout, and implemented SEO best practices.
- **View Project:** [Project Link](#)

E-Commerce Web App

February 2025 - March 2025

- **Description:**
 - Developed a modern e-commerce front-end interface using React.js and Redux Toolkit.
 - Implemented authentication, product filtering, cart management, and admin dashboard functionalities.
 - Integrated with RESTful APIs and designed a fully responsive, mobile-first layout.
 - Deployed via GitHub Pages.
- **View Project:** [Project Link](#)

EDUCATION

Bachelor of Engineering (B.Eng.) in Computer Systems and Information

Sep 2023 - Present

- Faculty of Engineering, Al Azhar University, Cairo, Egypt .
- **Expected Graduation** : 2028

CERTIFICATIONS

Back-End Development Certificate - SEF Academy (Issued May 2025)

- **Topics covered** : Node Js , Express JS and MongoDB
- **Show The Certificate** : [Certificate Link](#)

Front-End Development Certificate - SEF Academy (Issued December 2024)

- **Topics covered** : HTML, CSS, HTML5, CSS3, Bootstrap, JavaScript, Responsive Design, React JS, Redux
- **Show The Certificate** : [Certificate Link](#)

SOFT SKILLS

- Team Collaboration
- Effective Communication
- Self-learning
- Problem-solving
- Time Management
- Adaptability

ADDITIONAL INFORMATION

- **Languages:** Arabic (Native), English (Intermediate) .
